

CBFO

BASKETBALL

Register Now!

CBFO Basketball is a recreational league for boys and girls age 5—14. The teams are coached by parent volunteers that have a mission to teach the basic elements of basketball, teamwork, and sportsmanship.

Cost per child to participate in the program is \$145.00.

CBFO is excited to offer jerseys that you get to keep, an exciting pre-season jamboree, season long skills clinics at no extra cost, and the second year of our thrilling post-season tourney!

Practices for teams will practice once per week at one of the following schools: Farragut Intermediate, Farragut Middle, Cedar Bluff Middle, West Valley, or A.L. Lotts. Practice times for teams are one hour per week. *We also have added free voluntary weekly skill sessions for those participating in CBFO.*

Tryouts will be held in late October at Farragut Middle School.

CBFO Skill Sessions

CBFO is committed to teaching your child the basic fundamentals they need to be successful in basketball. Each Wednesday night during the season we will hold free one hour clinics led by veteran coaches and special guests that will focus on one of the basic building blocks of the game: Ball handling, shooting, rebounding, passing, and the basics of defensive positioning.

More information will be available from your coaches, by e-mail, on the website, and on Facebook.

Who is CBFO?

Cedar Bluff Farragut Optimist (CBFO) is part of the Optimist International Organization and, at present, are one of only a handful of clubs nationwide that devotes it's efforts to youth sports. CBFO is an all volunteer organization.

CBFO was started in the 1950's and has served the West Knoxville community through a variety of projects such as our scholarship program which awarded over \$38,000 in college grants to children in our community since 2005. CBFO is also active in our schools subsidizing school programs with over \$30,000 since 2005.

CBFO currently focuses on four core sports for boys and girls age 6 –18: Boys Football, Girls Fast-pitch Softball, Girls Volleyball, and Boys and Girls Basketball.

For more information on CBFO go to our website www.cbfosports.org.
